

Kelley Farms invites you...

to our **Classroom** in the **Corn!**

Our family farm features Central Kentucky's **original** Giant Corn Maze. You may have seen us featured on the front page of the Lexington Herald-Leader or on LEX 18 News. Yes, that's us! Each year, we make an a-MAZE-ing picture in our cornfield, inviting neighbors, friends and students to join in the fun. We're centrally located, with easy access to I-75. We're also close to I-64, US 27 and US 60, making us the ideal location for your next school trip.
